Oakfield Golf & Country Club

The Charity

Chisholm Services for Children

EVERY CHILD HELPED BY CHISHOLM HAS A STORY

WHO ARE WE?

Chisholm Services for Children is a non-profit organization in Central Nova Scotia offering a long-term care program, which specializes in early intervention. Chisholm is dedicated to guiding children who face severe adverse circumstances, to a realization of self-worth. Chisholm helps children develop skills and capacities to function successfully in a community setting and grow as healthy, stable individuals.

WHAT DO WE DO?

Chisholm Services for Children offers a residential-based community program for children exposed to complex trauma. The children we serve have experienced multiple traumatic events during their development including abuse and neglect as well as disruptions in attachment relationships. These experiences have had a significant impact on the neurobiological functioning of the children. It is our aim to meet their needs and to assist them in the healing and recovery process. Chisholm also provides a community-based literacy program for children from primary to grade six who are reading below grade level or who have been diagnosed with a learning disability.

THANK YOU!

Thank-you for supporting the important task of providing the children in our program with a place where they can... 'find hope when their situation seems hopeless, find value in respecting others and be respected in return, feel dignified even when their dignity is challenged, feel a sense of belonging and safety in their own community, and build the capacity to trust in themselves and in others'.
