PLAY GREAT

Oakfield was established in 1962 with lands donated by the Laurie Estate. The vision of a friendly and inclusive golf club has been realized and maintained through generosity, foresight, commitment and a genuine love for the game.

Oakfield is a place to enjoy. We have a wonderful, playable, and walkable golf course. Our Club offers immaculate conditions and challenges scalable to your skill level. We welcome all golfers and celebrate our champions. A day at Oakfield isn't measured by your scorecard as much as it is by the friendly interactions, good shots, great people, and a cold beer at the end of your round.

Our friendly staff are ready to help you improve your game whether that be by lowering your score or making you feel more comfortable on the course. Our members are able to enjoy many features and benefits of membership including club storage, club cleaning, practice facilities, easy account-based transactions, and a genuinely tight-knit member base.

If you love the game and you want to play great, we look forward to seeing you at Oakfield.

Dear Prospective Member,

Thank you for your interest in a membership with Oakfield Golf and Country Club. We believe the most successful clubs are those built on a foundation of nurturing, long-standing relationships between members and associates. This provides members with the flexibility to achieve the required amount of spending in a way that best suits their own priorities. All members are required to spend the equivalent of 20% of their annual dues (before tax) on member services. These services include golf shop purchases, food and beverage and guest green fees. A running tally of your member loyalty spend requirement is available through the Member Portal of the website.
