Job Summary

Oakfield is hiring!!

Inventory Manager/Golf Shop Supervisor

Job Overview:

Oakfield Golf & CC is seeking a detail-oriented Inventory Manager/Golf Shop Supervisor who will be responsible for the planning, implementation, and management of our retail operation. This role is integral to promoting Member and guest satisfaction, a safe and healthy work environment, and maximizing sales through efficient inventory management and effective space utilization.

Responsibilities

- Manage the flow of inventory from the backroom to the golf shop floor, including receiving, accounting, and handling of merchandise.
- Collaborate with the Head Golf Professional to maintain accurate inventory records and ensure timely turnover.
- Plan, promote, and market products, ensuring a clean, attractive golf shop with appealing and organized product displays.
- Conduct monthly inventory counts and adjustments, ensuring accuracy and timeliness.

- Assist the Professional staff in planning with seasonal sales strategies, and coordinate merchandise preparation for corporate events and golf tournaments.
- Plan and purchasing for 2025 in conjunction with the Head Golf Professional.

Qualifications

- Proven experience in inventory management, preferably in a golf or retail setting.
- Strong organizational, leadership, and communication skills.
- Proficiency in inventory management software and computer literacy with P.O.S. systems, Golf Genius, Word, and Excel.
- A background in golf or a strong interest in pursuing a career as a golf professional is highly desirable but not required.

Compensation

What's in it for you?

- Competitive Compensation (\$20-\$22 hour)
- Golf Course and Playing Availability
- Discounted merchandise & staff pricing program.
- Private Beach Access
- Fun Work Environment
- Opportunity to attend a merchandise show.
- Potential for a education allowance
- Clothing allowance

Benefits/Perks

As noted.
